### Garling and Co Named Best Personal Injury Law Firm for Third Consecutive Year at the 2025 Client Choice Awards

**SYDNEY, NSW – April 9, 2025** – Garling and Co Lawyers is thrilled to announce its continued success at the prestigious Client Choice Awards, securing the title of **Best Personal Injury Law Firm – Under \$30 million - 2025**. This remarkable achievement marks the firm's third consecutive win in this category, following victories in 2023 and 2024. Garling and Co was also recognised as a **finalist for the Best Law and Related Firm – Under \$30 million – 2025**.

The Client Choice Awards are highly regarded within the professional services sector for their unique approach, recognising firms based solely on feedback from their clients. The rigorous and independent research process conducted by Beaton, a leading specialist in market insights for over 35 years, ensures that winners are selected based on genuine client experiences gathered from tens of thousands of real clients. This client-centric methodology lends significant credibility and authority to the awards.

Matthew Garling, Principal of Garling and Co Lawyers, expressed his deep appreciation for the recognition. "We are incredibly proud to receive this award for the third year running. At Garling and Co, we are passionate about providing exceptional customer service and prioritising unwavering support for our clients during what are often very challenging times in their lives. This award is a true testament to our team's dedication to transparent communication and delivering the best possible legal support."

Mr. Garling further highlighted the significance of the Client Choice Awards. "We value these awards so highly because they are a direct reflection of the experiences of our past clients, not just opinions from within the industry. Our clients' feedback is paramount to us, and this recognition underscores their trust and confidence in the expertise and care provided by our firm and our team of lawyers, all of whom are Accredited Specialists in Personal Injury Law. We are committed to continuing to make a positive impact on our clients' lives."

The Client Choice Awards 2025 are supported by Principal Partner Westpac, who collaborates with Beaton to empower leaders in professional services firms to enhance client value and improve firm performance.
