Huge education expo returns to Sunshine Coast in August 2025

Calling all Sunshine Coast parents, schools and educators! Queensland's biggest Education Expo will be held at UniSC Arena on 2nd August, 2025!

The Education Fair promises to be an event like no other. Part expo, part fair, part activity day, this free event will bring together providers from every stage of a child's learning journey under one roof.

"The Education Fair is a one-stop shop for families considering their children's education and development," says Event Manager Helen Rush.

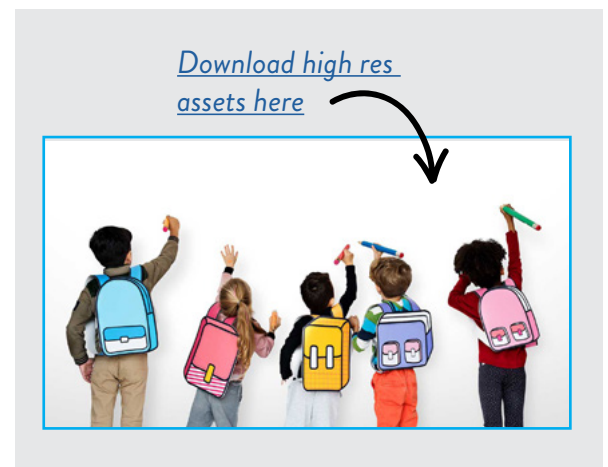

"From early learning and childcare to tutoring and tertiary, it is an unmissable event for anyone exploring education options in the area."

Expos can be dull for kids, so this event will be much more than stands and show bags. There will be performances, arts and crafts, 'come and try' sessions, hands-on demonstrations, children's entertainment and interactive spaces. Plus Wildlife HQ and Street Science will be there throughout the day with their hands-on shows and entertainment.

Whether you are looking for independent school options, distance learning advice, tutoring, kids' sports and activities, or learning with additional needs, the Education Fair brings together the region's experts and suppliers under one roof.

Sectors that will be represented at the Education Fair include:

- Childcare, early learning and kindergarten
- Homeschooling
- Distance/virtual learning and tutoring
- Independent schools
- State schools
- Learning with additional needs
- Family support
- Kids sports and activities
- STEM

Entry and activities are completely free for visitors!
