SUMMER OF LOVE ROCKFEST

featuring

WOLFMOTHER and THE SCREAMING JETS

Jon Stevens is back with "SHIMMER," his first solo album in seven years! This vibrant, eleven-track collection is a testament to resilience and collaboration, showcasing Stevens' enduring talent and passion. "SHIMMER" is available NOW for purchase, download, and streaming.

But that's not all! Get ready to roar into the Summer of 2026 with the SUMMER OF LOVE ROCKFEST, announced today! Tickets go on sale October 10th.

Jon Stevens, the voice that powered Noiseworks and ignited stadiums with INXS, will take you on an unforgettable journey through anthems like "Take Me Back," "Touch," "Don't Change," and "New Sensation." and a couple of fresh hits from SHIMMER the album.

Joining Jon are some of the most explosive names in Australian rock. Wolfmother will shake the stage with their Grammy-winning wall of sound, delivering modern classics like "Joker & the Thief" that have already earned their place in Aussie rock history.

When The Screaming Jets hit the stage, prepare for a thunderous singalong to "Better," "Helping Hand," and more - the kind of gritty, gutsy pub rock that made them legends.

The SUMMER OF LOVE ROCKFEST isn't just a concert; it's a reunion, a celebration, and a reminder of why these songs are timeless. Gather your mates, relive the glory days, and create new memories with the soundtrack of your life!
