

FOR IMMEDIATE RELEASE

Queensland's premier education expo arrives on the Sunshine Coast in July

Calling all Queensland families, schools and educators! The Education Fair — Queensland's largest and most comprehensive education expo — comes to UniSC Arena on 25th July 2026.

Part expo, part open day, part family day out, the Education Fair is a free community event designed to bring together providers from every stage of a child's learning journey under one roof.

"The Education Fair is a one-stop shop for families considering their children's education and development," says Event Manager Helen Rush.

"From early learning and homeschooling to sports and activities, it's an unmissable event for anyone exploring education options in their region."

Unlike traditional expos, the Education Fair is designed with families in mind. Beyond exhibitor stands, visitors can enjoy performances, arts and crafts, 'come and try' sessions, hands-on demonstrations, children's entertainment and interactive spaces — ensuring it's engaging for kids as well as informative for parents.

Whether families are seeking independent or state school options, distance and virtual learning advice, tutoring, support for additional needs, sports programs or creative pathways, the Education Fair connects them directly with trusted local experts and providers.

Sectors represented include:

- Childcare, early learning and kindergarten
- Homeschooling
- Distance learning and boarding schools
- Tutoring and extended learning
- Primary and secondary education
- Learning with additional needs
- Family support services
- Kids' sports and extracurriculars
- Educational resources and products
- Creative arts
- STEM and robotics

Entry and activities are completely free for visitors.

Businesses with relevant products or services are invited to enquire about exhibitor opportunities. Display and demonstration spaces are limited.
