Welcome Message From

Bunbury Fringe Artistic Director, Kerry Shaw

2027 marks 11 years of Bunbury Fringe and it has been an honour and a pleasure to step in the role of Artistic Director this year, following the fabulous footsteps of outgoing AD Jo O'Dea. Bunbury Fringe has grown to become a much loved and iconic event that is recognised across the country and the world, bringing together artists and community to elevate the arts in regional areas and support artists to continue to make and share art with the world - and we could all use a little bit more art in our lives!

This year we are bringing you a jam packed multi-arts program with artists from Western Australia, Australia, overseas and from our very own doorstep here in the beautiful South West. Highlights this year include a return of In Pour Taste, Bunbury Fringe faves Yuck Circus and the Comedy Gala return; we have more family shows than ever before; digital light installation with Creative Tech Village; Stirling Street Arts Centre are once again a Fringe venue with movies at SSAC; and Michelle Pearson of Skinny fame, is back for another Bunbury Fringe season with highly popular shows Comfort Food Cabaret and Down Under: The Songs that changed Australia - just to name a few!

Of course, Bunbury Fringe would not be possible without the support, hard work and dedication of the people behind the scenes - to our committee, sponsors and partners, artists, staff, contractors, volunteers, friends of Fringe and Fringe Buddies - thank you!

And importantly, thanks to you - your support for Bunbury Fringe and the arts is what fuels the fire in those who work year round to bring this event to life! It is my pleasure to bring you Bunbury Fringe 2027! Now - go buy your tickets and have yourself a very fabulous Fringe Summer!

Hon Roger Cook MLA, Premier; Minister for Tourism, Trade and Investment, Hon Stephen Dawson MLC, Minister for Regional Development; Kimberley and Hon Don Punch MLA, Minister for South West

The Cook Labor Government is a proud sponsor of the Bunbury Fringe Festival through Tourism Western Australia's Regional Events Scheme, funded by Royalties for Regions.

The Regional Events Scheme (RES) was established to support event holders across the State with the development of events to drive tourism to regional Western Australia. The RES plays an important role in creating a timely reason for visitors to travel to the State's regions, activating pockets of Western Australia and creating vibrancy, while showcasing the host region's unique and diverse attractions.

A total of 64 regional events across Western Australia have been awarded funding through the 2026-27 funding round. This includes a $150,000 funding pool for the Regional Aboriginal Events Scheme, which exclusively allocates funding to events delivering Aboriginal activities and experiences. The Western Australian Government is proud to sponsor these regional events, which help bring vibrancy to local communities and drive visitor spend, injecting millions into regional economies.

Tourism is a key part of our plan to diversify the economy, create jobs and develop business opportunities, especially in regional Western Australia. Events play an important role in this plan and also contribute to the Government's vision for Perth and Western Australia to be the fastest growing events destination in the South East Asia region.

The Western Australian Government sponsors a range of sporting, cultural, arts and culinary events across the state, to attract visitors and encourage them to stay longer, disperse further and spend more while they are here.

We hope everyone enjoys Bunbury Fringe Festival and takes the time to explore the South West region.
