Australian Master Butcher unveils American Inspired Buffalo Chicken Wings

May 2022: With over 100 years of crafting and curating Australia's favourite sausages and burgers, meat brand Beak & Sons has now delved into chicken, launching their highly anticipated Spicy and Crispy Buffalo Chicken Wings.

As part of their brand new slow-cooked range, the Beak & Sons Spicy and Crispy Buffalo Chicken Wings are cooked using juicy Australian RSPCA Approved chicken. The wings are then twice cooked in a spiced buffalo sauce combined with a buttery and sweetened chili coating and joined with a creamy cheddar blue cheese side sauce.

This classic American-inspired comfort meal is the perfect at-home meal made easy for this winter. With notes of piquant cayenne chili, vinegar, and a buttery finish, the (sure to be popular) Chicken Wings by Beak & Sons can be easily serviced at home with an ear of hot corn on the cob and a side of celery and carrot batons.

Beak & Sons spicy and crispy chicken Wings come in 800g boxes that serve two and are ready to serve in as little as 20mins.

Available at Harris Farm, Foodland and IGA stores nationally.
