****MEDIA ALERT****

METAKOSMOS TO HOST LAUNCH EVENT ON DECEMBER 7th, 2022

[SYDNEY, New South Wales] — On December 7th, 2022, **Metakosmos**® will invite media and the public to attend their LAUNCH EVENT to introduce their flagship product **Kosmosuit**®, the next generation of spacesuit technology.

Kosmosuit® is a pioneering effort to kickstart a new era for commercial spacesuits & human spaceflight. The launch event is intended to raise awareness about the cutting-edge spacesuit design work of the company. More about the company vision at: <https://youtu.be/fn5dlObtQ00>

WHAT: COMPANY LAUNCH EVENT

WHEN: 17:30 (AEDT) onwards on December 7th, 2022

WHO: Kiriti Rambhatla, CEO Metakosmos

WHERE: Unit 2, Wolfpack Space Hub, Waterloo, NSW 2017

Join us for a panel discussion at the event to be moderated by Mr. Peter Spinks (Wordshops Worldwide) with Dr Jason Held (CEO of Saber Astronautics), Ms Sharon Toh (Customer Online Hub Leader, Asia Pacific at Dassault Systemes) & CEO of Metakosmos. Also on display will be **Kosmosuit**® prototypes for public viewing.

Metakosmos is a member of Wolfpack Space Hub. It is also a DStart Ignite (Defence) and CSIRO kickstart program participant. The company recently received the Investment NSW MVP grant and is participating in Defence Innovation Network (DIN) programs.

To register for METAKOSMOS LAUNCH EVENT, visit <https://events.humanitix.com/metakosmos-launch-event>. LAUNCH EVENT is free to the public; no registration fee is necessary. To accommodate in-person interviews, media interested in attending are asked to contact Mr. Kiriti Rambhatla at kiriti@metakosmos.com.au or +61 477 670 368.
