

Dream Yacht Sales and Bali Catamarans

Launches the Bali 4.6 at Sydney Boat Show

For the first time in Australia you will be able to tour the Bali 4.6 and the NEW Catana Ocean Class.

Sydney Australia — July 5th 2023 – [Dream Yacht Sales](#) and [Bali Catamarans](#)

SYDNEY INTERNATIONAL BOAT SHOW

Thursday 3rd August – Sunday 6th August 2023 Darling Harbour.

Dream Yacht Australia Pty Ltd - Queensland Yacht Charters

As the importer and Sales agent for the [Bali Catamaran Brand in Australia and New Zealand](#), this year we will launch the Bali 4.6. She will be on display and available for a tour of the vessel at the Sydney Boat Show. We will be situated just under the Pyrmont Bridge on the Marina – look for the pink Flags!

We will have our Sales team onboard the Bali 4.6 at the Show to assist you with Private Boat Sales and Ownership Programs including NEW Yacht Share options.

As an extra bonus and right next door to our [Bali 4.6](#), the [NEW Catana 50 Ocean Class](#), will be on display, being the first Catana at a Boat Show in Australia in several years..

BALI 4.6 SPACE AND FREEDOM! Standing out among her peers, the BALI 4.6 features elegant lines. The saloon-cockpit area offers all the BALI revolutions. The “BALI door” and the large openings, letting in natural ventilation and abundant light, are the very definition of the OpenSpace concept. The BALI 4.6 boasts delightful seating where well-being and comfort are the order of the day. This model is available in several configurations: 4, 5 or 6 cabins.

The culmination of two years of research by their naval architects and design teams, the new CATANA OCEAN CLASS set standards for luxury and exception in Blue Water Cruising. She is as light as she is strong, thanks to the mastery of “CARBON INFUSION” technology, now used on all Catana boats. Her new hulls and daggerboards have been the subject of hydrodynamic studies and really puts into context the pleasure of sailing at wind-speed, in absolute comfort and total safety.

Shared Ownership Programs: Dream Fractional® Business

Buying a new boat in co-ownership: what does it mean and how does it work?

Inspired by the “time-share” system, buying a boat in co-ownership is naturally the most **economical and advantageous solution**. The principle is simple: you **buy one or more shares** in a new boat, **divide the costs** with the other co-owners and **share the yearly use of the boat**. The 5 to 6 year program is structured with a **dedicated concierge service** for full management and **includes the resale** of the boat at the end of the contract.

CATSMART IN THE WHITSUNDAYS!

To kick off the Fractional Program in Australia we have a **Bali Catsmart** on offer, **in the Whitsundays for 2024** ! There will be 5 shares available in this latest addition to the Bali Catamaran Range.

BALI CATSMART

THE SMART SPIRIT OF THE BALI RANGE!

At 38 feet in length, the BALI CATSMART remains faithful to the DNA of the brand, including the “BALI door” and the rigid deck of the forward cockpit that made the BALI reputation. This model also offers twin helm stations for easy sailing manoeuvres and helming. A boat perfectly adapted to leisure sailing and enjoying family time at anchor.

Dream Yacht Sales

NEW! Go Green Incentives

Pioneering the future of greener sailing together!

The first electric catamarans have been added to our fleet, with many more to follow. And we're proud to be the first global charter company to commit to electric catamarans at scale. We here at Dream Yacht Worldwide are the global leader in pioneering the green sailing movement – guiding toward a more sustainable future for boat owners, those seeking more environmentally friendly sailing holidays, and the yachting and charter industry at large.

Making sailing more accessible to people around the world while remaining committed to rapid progress in sustainability is at the heart of everything we do. Substantial fleet purchase contracts with some of the best electric yacht builders in the world have made our commitment tangible. With 20 more coming into the fleet within a year, our ambition of achieving an all-electric yacht offering and zero carbon emissions by 2030 is well underway.

Our electric boats are state-of-the-art, with the most advanced electronics that not only capture and store energy from solar, wind and hydropower while you use your boat, but also help you optimise your energy use to get the most from the stored energy. This **cutting-edge technology** comes at a high research and development cost, and more leaders with vision are needed to blaze a trail to environmental transformation in the boating industry.

About Dream Yacht Worldwide

Dream Yacht Worldwide offers one of the largest and most diverse sailing, yacht, and boating fleets in terms of models and manufacturers in the world, which makes vacations at sea more accessible to all. Founded in 2000 by Loïc Bonnet as a six-yacht company based in the Seychelles, the company evolved into Dream Yacht Worldwide and is now one of the world's leading ocean tourism companies offering 50+ stunning sailing grounds and a diverse fleet of monohull and catamaran yachts to suite any on-water vacation. The group employs more than 600 people in 31 countries.

A pioneer in sailing accessibility for all, Dream Yacht Worldwide allows travellers the unique experience of sea based vacations to broaden travel experiences and discover limitless destinations. Travelling by sea offers access to the beauties of the world and unique destinations as seen from a different angle. We offer the widest range of destinations, including options in the Caribbean, Bahamas, Americas, Mediterranean, Asia, Indian Ocean and South Pacific.

Whether it's a thrilling adventure or relaxing vacation, Dream Yacht Worldwide offers the freedom of a tailor-made vacation at sea: secret hideaways, must see hotspots, hidden gems, or just places to meet new people. Offering a wide range of activities and new destinations, there are always some new experiences, places and cultures to discover for memories to make, but no trace to leave behind.

Dream Yacht Worldwide also includes Dream Yacht Sales & Ownership, which offers private ownership plus a wide range of management programs and yacht brokerage for over 45 destinations, plus a vast selection of premium yachts and high-end services.

SamBoat is Dream Yacht Worldwide's digital platform for daily or weekly boat rentals.
