

FOR IMMEDIATE RELEASE

Manage Your Loans Unveils Cutting-Edge Digital Finance Broking Platform in Australia, Forges Partnership with Costco Australia

Darwin, Dec 20th — Manage Your Loans, a newcomer and innovator in the financial technology sector, is thrilled to announce the official launch of its groundbreaking Digital Finance Broking Platform, revolutionizing the way Australians manage their loans and financial aspirations. As part of this exciting milestone, Manage Your Loans proudly announces its strategic partnership with Costco Australia and a significant expansion into the Northern Territory, solidifying its commitment to providing state-of-the-art financial solutions to customers across the nation.

Manage Your Loans is redefining the financial landscape with the introduction of its innovative Digital Finance Broking Platform. This cutting-edge platform empowers Australians with a simplified, efficient, and tech-driven approach to managing loans, investments, and financial goals.

Partnership with Costco Australia: In a landmark collaboration, Manage Your Loans has joined forces with Costco Australia to offer exclusive loan benefits and financial services to Costco members. This partnership aims to enhance the financial well-being of Costco's discerning customers, bringing added value to their membership experience.

Manage Your Loans is proud to announce its relocation of the company's head office to the Northern Territory. This strategic move aligns with our vision of tapping into the region's vibrant, tech-savvy talent pool, nurtured by Charles Darwin University. The Northern Territory government and its supportive ecosystem have played a pivotal role in facilitating this transition. The expansion includes the establishment of a robust Contact Centre and support staff capabilities within the Northern Territory. This initiative not only underscores our commitment to providing unparalleled customer support but also contributes to the economic growth and employment opportunities within the region. Manage Your Loans embodies a dynamic and forward-thinking management style that values lifestyle flexibility, enabling team members to work from the comfort of their homes. This work-from-home philosophy reflects our commitment to work-life balance, innovation, and the well-being of our team. Our focus on cutting-edge technology is paramount. We leverage the latest advancements in financial technology to offer our customers an unparalleled experience, making their financial goals more accessible and achievable than ever before. "We are excited about this momentous occasion as we introduce our Digital Finance Broking Platform to Australia. Our partnership with Costco Australia and our expansion into the Northern Territory represent significant milestones in our journey," said Peta Siebert, CEO of Manage Your Loans. "We are poised to disrupt the finance broking industry, combining lifestyle flexibility with state-of-the-art technology, all while delivering super-smart financial solutions to our valued customers."

About Manage Your Loans:

Manage Your Loans is a leading financial technology company dedicated to simplifying and enhancing the financial well-being of Australians. With a commitment to innovation, convenience, and customer satisfaction, we offer cutting-edge digital solutions for loan management, investments, and financial planning. Our partnerships, like the one with Costco Australia, reflect our drive to provide value and support to our customers.
