

PRESS RELEASE

NEW BOOK RELEASE

'SEX, SEXUALITY & RELATIONSHIPS'

OUT DATE 12 FEBRUARY 2024

This book opens the conversation!

The book's main objective is to give to each reader, the quality of SELF and the value that should be placed on their individuality as a person and within their relationships.

Many people may feel uncomfortable when speaking about sex, sexuality, and relationships, however, these subjects play a critical and important role in our lives.

Communities across the world, through either cultural, psychological, religious, and or philosophical reasons, may consider the topics to be taboo, and yet, speaking about the above subjects will improve people's lives, add great value to individual wellbeing and health, and start to limit areas of crime that grow through this lack of knowledge.

ARE YOU LOOKING FROM THE 'INSIDE OUT?' OR THE 'OUTSIDE IN?'
