### Medicinal Cannabis: Biortica continues meteoric growth with new hire

Biortica has grown its professional team with the hiring of Patrick Ulloa as Quality and Compliance Manager.

Patrick holds a Bachelor of Agricultural Science from his native Chile, as well as a Masters of Management (International Business) degree from Monash and a Masters Degree in Food Science from the University of Newcastle.

He has held senior compliance roles with Glaxo Smith Kline, Coles Group, The Victorian Institute for Horticultural Development, Vegetable Growers Association of Victoria, Driscoll's and the Costa Group.

"Patrick has excellent strategic, systems and organisational skills," said Kathleen Ward, Chief Operating Officer with Biortica Agrimed.

"These skills will be vital as we commission 2 additional glasshouses to keep up with demand," she said.

"The quality of our Team is founded on high quality individuals," said Tom Varga, CEO.

"Welcome on board, Patrick, buckle up and hang on for the ride!" said Tom.

## Biortica Agrimed Ltd

Award winning, Biortica Agrimed Ltd is Australia's largest fully vertically integrated commercial grower of medicinal plants. Our B2B operations are seamlessly integrated from plant genetics through to supply of medicinal plants in commercial quantities. We employ glasshouse-based horticulture, to both, protect our valuable medicinal crops, and equally to minimise our environmental impact, thereby protecting the planet. Our goal is to significantly improve human health outcomes by supplying high quality agricultural medicinal plants, at scale, to uniform high quality standards year-round.
