

PRESS RELEASE

The directors of Orange Private Hospital and Nexus Hospitals are proud to announce that Orange Private Hospital opened on 07 July 2021.

Over the last month the hospital has gained its license from NSW Health and full accreditation to National Safety and Quality Health Service Standards.

The hospital occupies two levels of the Bloomfield Medical Centre co-located with Orange Health Service. It has five fully equipped theatres with the latest equipment, imaging, and ICT systems. The theatres are designed with sophisticated air-conditioning, lighting and control systems which provide a state-of-the-art operating environment to minimise infection risk and other adverse events. The inpatient wards are comprised of the close observation unit, general ward, paediatric and sleep unit with a total of 23 private rooms.

Services are provided in the following specialties:

- Bariatric surgery
- Breast surgery
- Colorectal surgery
- Cosmetic surgery
- Endocrine
- ENT surgery
- Gastrointestinal and Pulmonary endoscopy
- General surgery
- Gynaecology
- Head and neck surgery
- Ophthalmology
- Oral surgery
- Orthopaedic surgery
- Paediatric surgery
- Plastic and reconstructive surgery
- Respiratory care
- Sleep studies
- Upper Gastrointestinal surgery
- Urology

Dr Bill Mackie, Director of Orange Private Hospital, said "In partnership with Nexus Hospitals, we have developed this facility for the people of Orange and the region. We thank our staff for their hard work in bringing this outstanding project to fruition. It will integrate with the other local services, allowing local and visiting health professionals to keep Orange in its preeminent position in regional healthcare."

Scott Bell, Chief Operating Officer of Nexus Hospitals, said "We welcome Orange Private Hospital, its patients, staff and doctors to our group. This outstanding hospital is an embodiment of our commitment to our goal to provide world class healthcare in local communities."
