# Own A Beachside Unit For Less Than The Average Weekly Mackay Rental

Mackay, Qld: **It's true!** Owning a 1 bedroom unit at Kohuna Beachside Resort is cheaper than paying rent. Why rent when you can own a beachside unit for as little as \$220/week. Your weekly repayment covers your mortgage, garden maintenance, pool cleaning, your bins taken out, building insurance, and your electricity.

There are a selection of Studio and one bedroom units available to purchase now. Some are directly opposite the beach. A two bedroom self-contained unit is also available. The reception area, along with a connected two bedroom unit, and 2 offices, are also included in the sale.

The Kohuna units represent great value.

Units can be utilised for long-term or short-term accommodation, holiday letting, serviced accommodation, and are ideal for First Homeowners, Singles, DIDO Workers, Empty Nesters, Retirees, or those seeking an affordable investment.

You also have easy access to the onsite Resort Pool, Masseur, Physiotherapist, Tennis Court, Bucasia Beach, and Privately-Owned Gym. To register your interest, visit [www.kohuna.com.au](http://www.kohuna.com.au)
