Ellodi

Ellodi is a new Australian brand committed to taking the guess work out of self-care products. With a growing product range, we are focused on quality products that provide real results. We work hard to ensure you get a premium shopping & product experience.

About

Specialists in self-care and wellbeing products with experience selling to major retailers worldwide, the team at Ellodi have used their knowledge to build a range of products that delivers on its promises.

Why Ellodi?

In this fast-moving world, we want to be your go-to resource promoting body confidence, motivation, and a sense of feeling good.

Central to Ellodi's brand is the reliability of our product range, we will not be selling products based on fads, the benefits of our products are based on qualified research.

We also adhere to the highest standards of quality and meet safety test requirements.

How to use and incorporate into your regime

Onsite- Customer Service:

Based in Melbourne, our team is ready to assist you

FEATURED PRODUCT

Silicone Facial Cleanser with Heated Massage

Superior quality, premium specification & elegant design.

Take your skin to the next level, gentle massage with sonic vibrations for a deep clean.

The unique design is small enough to cleanse all the curves of your face.

Soft enough to use daily, Ellodi's Silicone Facial Cleanser will rejuvenate, revitalise and improve the circulation as well as boost skin tone, all while you cleanse.

Follow up with a heated eye massage. Pair with a serum and allow the massage to absorb deep into your skin.
