Spread the puppy love: posing pups to raise money for animal therapy centre

Snapshot Selfie Gallery is hosting a pup-friendly day at it's Penrith location.

From pedigree Frenchies to rescue Greyhounds, all fur babies are invited to visit the twenty-five perfect backgrounds to show off their personality and raise money for Nepean Animal Therapy.

”

"Any dog owner knows how much joy their pet brings them, so this is a perfect way to raise money and spread that puppy love with others who need some TLC."

Heather Caesar, owner of Snapshot Selfie Gallery

The movie-quality sets range from a gold-bar-filled bank vault to a Barbie box to a confetti-filled shower cubicle.

For pups who are more of a Monica or a Rachel, the iconic Friends Central Perk couch will be ideal.

The event takes place on Saturday 11th June from 10am - 5pm and the selfie studio will be donating 100% of the profits of the day to Nepean Animal Therapy.

Nepean Animal Therapy provides trained dogs and handlers to help people in the community overcome stressful events such as hospital visits, palliative care, or family court.

Pet parents should book online to secure their one hour booking. Changing rooms are available for any pups who wish to bring multiple outfits.

Tickets are \$30 an adult. Maximum of one dog per adult. Book at www.snapshotgallery.com.au/dogday
