

AUSTRALIAN CERAMICS OPEN STUDIOS

SAT 12 & SUN 13 NOVEMBER 2022

UNEARTH YOUR LOCAL POTTER!

Celebrate clay, community and creativity by visiting your local potter on 12 & 13 November. Over 200 potters and ceramic artists from all over Australia will open their studios to the public for the 10th annual Australian Ceramics Open Studios.

It's a rare opportunity for the curious to step inside a working studio, chat with a local artist and experience the simple pleasures of clay and the making process.

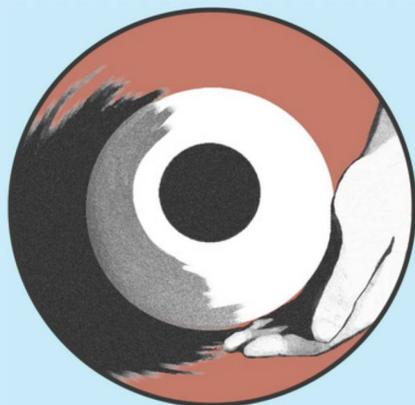

There will be workshops, demonstrations, kiln firings and original ceramics to purchase from potters located in the suburbs, cities and rambling rural settings.

And approaching Christmas, it is the perfect antidote to hectic present gathering! Slow down and shop with makers who live and breathe sustainability.

Studios are open 10am to 4pm, Saturday and Sunday and entry is free. Profiles of all participating artists are found on australianceramicscommunity.com.
