Sydney Gentlemen's Club has an Anthem

LAZEE DOG announces
the release of a new EP – Minx Anthem feat.
Alison Belle - from Producer/ DJ – HUNDRED EYES.

FOR IMMEDIATE RELEASE

Melbourne, Victoria – LAZEE DOG record label is excited to announce the release from Producer / DJ – HUNDRED EYES, an EP titled Minx Anthem, which will be available through all online platforms, from July 7th, 2023.

Minx Anthem is a Summertime -partying house ep, consisting of a radio edit and a longer dance track version. Minx Anthem is the result of HUNDRED EYES returning to the producer scene following a six-year break.

He was inspired by the club where he is the resident DJ – MINX Gentlemen's Club, Sydney (Australia). The resulting track was played to some regular clientele with positive feedback suggesting it should be the Clubs' anthem, which HUNDRED EYES has dedicated it to. The featured artist – DJ / Producer Alison Belle really adds to the 'anthem' by singing the hook "Got my drink on and smoke on, then I got my freak on".

A music video filmed on location at the MINX Club will also be released on the same date, through VEVO video music channel. Not to be missed for the visual fantasy experience the song takes you to!

Originally known as 'Keithy B', now better known as artist 'HUNDRED EYES', his music has been played by some of the industry's greats such UMEK. He was also picked up by DJ Nightrain and has had his tracks released on the famous Nightrain record label.

Currently in residence at Minx – Sydney's most exclusive and luxurious Gentleman's Club, his music influences come from some of the world's best talent – Fatboy Slim, Carl Cox, Pharrell Williams, Timbaland, Dr. Dre and the late DJ AM (r.i.p.).

Clearly, this artist is a highly talented P/DJ in his own right.

Equipment: Serato & Serato Video, CDJ units and FL Studio DAW.
