Anabel's Of Scottsdale, Tasmania, a beautifully restored and National Trust registered Thai fusion restaurant in Tasmania's north-east is pleased to announce its opening.

On the day, the Thai Anabel will be inaugurated with traditional Thai Buddhist ceremonies, such as chants by monks, offering alms, Thai ceremonial dances, live music, inviting guests to leave the ordinary world behind and return to the days of cultured elegance and enjoyable service.

The press and public are invited to the grand opening of Anabel's Thai Restaurant on Saturday, 16 December 2023. The event will take place at Anabel's Of Scottsdale 46 King Street Scottsdale between 10.30am and 8pm. Guests will be treated to experience our complimentary Thai nibbles in the afternoon. Anabel's Thai will showcase indulgent dinner experiences. We will offer friendly welcoming tea, coffee and canapés within a unique atmosphere that is surrounded by heritage gardens that will hopefully become the region's top-valued and most memorable destination for dining experience.

Anabel's Thai menu features a refined selection of homegrown produce of fresh veggies, egg and meat with signature house made sauces. Each dish will be prepared with professional skills, passion and care by internationally renowned Thai Chefs, Wasu Rattanawiset and Rotcharek Prateepwattananon. Anabel's Thai will provide a memorable for anyone looking for a delicious Thai dining experience in Tasmania.

We are redefining what enjoyable food and service really means," said Managing Partner Shachaya Rajahodi. "I'm confident that Anabel's Thai will be a premier destination in elegance and satisfactory dining for residents all over Tasmania, and Australia.

"From the beginning, our vision was strong. At Anabel's Thai, we will personify what a delicious meal is truly meant to be — clean and fresh produce from our local farm, skillful cooking, healthy menu, and beautiful location," said Anton Wiesmann, Owner and Partner at Anabel's Thai.

More than a restaurant, guests will also indulge in the extravagance of the Anabel's heritage building and English gardens, a beautifully designed bar and dining space where guests can relax into comfortable seating amid a stunning and soothing atmosphere.

Shachaya and Anton, a professional business couple who own and operate the "Panorama Hotel" in Jindabyne, Snowy Mountains of NSW since 2014 until present and moved to Tasmania in 2019 due to business expansion with the "Tidal Waters Resort" (Now become the Panorama St.Helens). After COVID hardship, Shachaya and Anton sold the Panorama St,Helens and enjoy Tasmanian farm life style in the historic Alandale Farm in St.Helens. Beside a lot of cattle, pigs, ducks, chicken, goat and more wildlife in the farm, as well as enjoying organic market garden, they became immersed of this natural life style and would like to share with others.

Falling in love with the beauty of Anabel's Of Scottsdale, together with business degrees plus long years of experience in hospitality, both decided to restore their final restaurant venture in Scottsdale, an exuberant agriculture town of Tasmania. "We are so proud to be able to share our proficiency of Thai food that will be crafted from our home grown farm produce and introduced to the community" Anton said. It is very luxury to have our own meat and vegies from our own farm deliver to our own restaurant, we are excited to present our restaurant concept to everybody" said Shachaya.
