A humble mid-year holiday finds a stay-at-home mum in the right place at the right time. In a small café at a local shopping centre, Evelyn is taking a quick coffee break from getting supplies to take back to the caravan park, but a moment of pure serendipity happened. Evelyn comes to a halt when the LIFESTYLE GO+ vibrant Facebook Ad popped up for a Chevrolet Silverado 1500 ZR2 or \$1145,000 Cash caught her eye. She buys two sets of \$20 entries, one for herself, and one for her husband who is currently in the market for a new work truck as his was recently vandalised at a work construction site the previous month. She says she probably wouldn't have bothered if that incident never happened.

On the 26th of June, just 6 days out from her birthday, Evelyn sends an unknown number to voicemail. A few minutes pass by and an unknown number calls again.

"Hello, is this Evelyn? Evelyn my name is Anthony Whithead. I'm the Head of Marketing and Sales at LIFESTYLE GO+ Giveaways. How are you..." Silence, the phone hangs up.

Third time lucky, "Hello, Evelyn? It's Anthony Whitehead calling from LIFESTYLE GO+. Please don't hang up! This is not a sales call." Anthony urges.

The LIFESTYLE GO+ team cheered and congratulated Evelyn in the background to confirm this was in fact a Winners call and they have drawn her winning entry numbers matching for the brand-new Blue Chevrolet Silverado 1500 Zr2 but has the option to accept a cash equivalent prize of \$145,000 (tax-free) if she likes.

Evelyn had been struggling with depression for some time after the sudden loss of her Father. She was in a dark place and couldn't see a way out. However, her fortune turned around, bringing with it a newfound sense of hope, joy, and possibilities.

"LIFESTYLE GO+ has been life-changing and unexpected; it's brought a glimmer of hope during some of my toughest moments. The chance to take the cash prize of \$145,000 and clear off debt turned my life around in ways I will always be thankful for," Evelyn added.

LIFESTYLE GO+ is committed to providing exceptional prizes and rewards that can transform the lives of their members. Their unwavering dedication to enhancing the well-being of their community through charitable donations is what makes them stand out from the crowd.
