## FOR IMMEDIATE RELEASE

Mandala Hospitality Group Rebrands as Mandala Hotels & Resorts,

Unveils **Mandala Ace Albany Hotel**

Mandala Hospitality Group, a leading hospitality management company, has announced its rebranding as Mandala Hotels & Resorts. As part of this transition, the company has unveiled its first rebranded property, Mandala Ace Albany Hotel, formerly known as Ace Accommodation Albany.

The rebranding initiative aims to create a consumer-facing brand that better reflects the company's commitment to providing exceptional hospitality experiences across its portfolio of 15 properties. While the hospitality management aspect remains an integral part of the company's operations, the new brand name, Mandala Hotels & Resorts, is designed to drive direct consumer engagement through its website, <https://mandalahotels.com.au/>.

In addition to the rebranding, Mandala Hotels & Resorts recently opened Amica Serviced Apartments in the Australian hospitality market in Orange, NSW.

"Our rebranding represents a significant milestone in our journey to create a harmonious and holistic hospitality experience for our guests," said Ryan Shaw, principal of Mandala Hotels & Resorts. "We are excited to introduce Mandala Ace Albany Hotel as the first property under our new brand, showcasing our commitment to delivering exceptional service and memorable stays for our guests."

Mandala Ace Albany Hotel, located just 2.5 kilometres from Albany's central hub, offers a range of cosy and contemporary rooms for both leisure and business travellers. Guests can enjoy free Wi-Fi and savour the best of local and seasonal Great Southern produce at Ryan's Restaurant, which also features an outstanding selection of Great Southern wines.
